

### REMARKS

In response to the Examiner's Action mailed December 16, 1993, Applicant amends his application and requests reconsideration. In this Amendment, a minor, previously undetected error in claim 19 is corrected. Claims 26, 27, 29, and 36 are cancelled and new claims 37-40 are added. Claim 37 is believed to be a generic claim. Claims 1-25, 28, 30-35, and 37-40 are now pending.

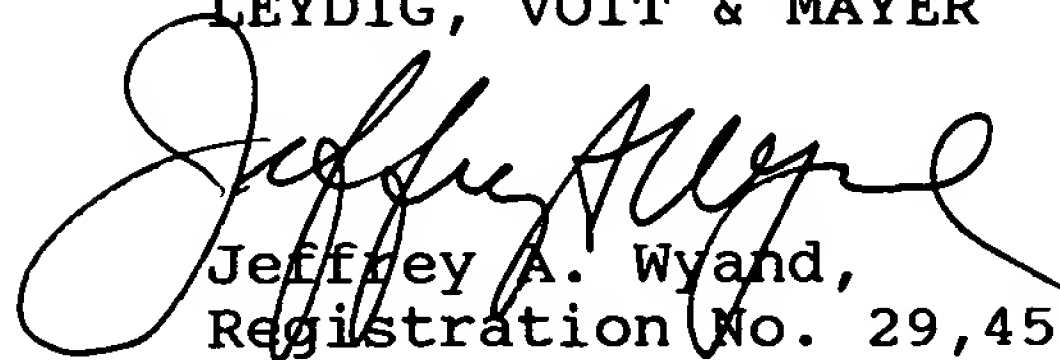

In response to the species election requirement, Applicant provisionally elects the alleged species of Figure 2 of the application. Claims 1, 4-12, and 37-40 are readable on that species and, therefore, should be examined.

Applicant intends to elect additional claims pursuant to 37 C.F.R. §1.141 upon the allowance of generic claim 37. More specifically, Applicant intends to elect claims 2, 3, and 13-23 upon the allowance of claim 37.

A favorable Action on the merits is solicited.

Respectfully submitted,

LEYDIG, VOIT & MAYER
